

# LUXSS™ WIPES

## PRODUCT INFORMATION

## multi-surface polish

**LUX-SS (LUXSS), n.** 1. environmentally friendly, non-aerosol multi-surface polish. 2. value, quality, safety and efficiency. 3. safe on paint and non-flammable 4. use with OTiS® for maximum results.

### PRODUCT

(90 count -- bucket-o-wipes)

LUXSS™ is a safe, non-aerosol wipe designed for multi-surface cleaning and polish of stainless steel, plastic laminate, painted metal and wood surfaces. LUXSS is tough enough to clean and polish gas station equipment yet gentle enough to use on home furniture. LUXSS removes everything from finger prints, smoke film scuffs to dirt and grime. LUXSS leaves behind a non-oily silicone film to shine and protect.

### Directions For Use:

Before using read MSDS for this product. MSDS is available at [www.mycaf.com](http://www.mycaf.com).

### Application Directions:

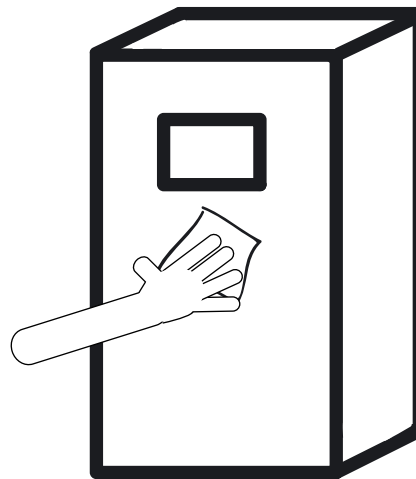

Open Moisture Lock Lid, and remove one LUXSS™ wipe from the canister and then reseal lid. Wipe hard surface clean with LUXSS wipes. Repeat if necessary. Wash hands with soap and water immediately after using product. For best results, use OTiS super concentrate surface cleaner before applying LUXSS to remove dirt and grime.

Caution: LUXSS™ can leave surface area very slippery. Do not use on floors.

This product is non-hazardous for storage and transport according to DOT regulations.

### Effective on Multiple Surfaces:

- Stainless Steel
- Painted Metal
- Plastic Laminate
- Rubber
- Wood Surface
- and More...
