## super concentrate surface cleaner

O-TiS (o•tis), n. 1. bio-organic, super concentrated dispenser cleaner. 2. value, quality, safety and efficiency. 3. spray on – rinse off. -- v. 4. rinse clean with OTiS - remove oil with eXIMO®.

### PRODUCT

(1.5 QUART/1.42 L - mix up to 96 - 32 FL. OZ. applications)

**OTiS** is an easy to use "hands free" solution for cleaning hydrocarbon based oil, grease and grime. OTiS requires no rubbing or scrubbing – simply spray OTiS solution directly onto solid surfaces and rinse off. Allow dirt and grime to drain to floor where it can be cleaned with eXIMO® waterless concrete cleaner ([www.mycaf.com/eximo.htm](http://www.mycaf.com/eximo.htm)). OTiS costs less than \$0.54 cent per 32 FL OZ bottle and can be used anywhere oil based stains like; gasoline and diesel are present like gas pump/dispenser and nozzles to dirt and grime on carwash equipment. OTiS and CAF **blue**™ are an efficient solution for year-round cleaning.

OTiS super concentrate surface cleaner is a unique product with many uses. OTiS is a 100% active blend of sequesterants, soil suspenders/penetrants and low foam/defoaming surfactants and solvents. OTiS dissolves quickly and completely. OTiS is engineered safe to the previous USDA specifications for food use. OTiS ingredients have been tested and Certified by NSF under nonfood compounds, category code A1.

### Directions For Use:

Before using read MSDS for this product. MSDS is available at [www.mycaf.com](http://www.mycaf.com)

#### Mixing Directions:

Volume	Amount
32 FL OZ	3 TSP (scoops)
1 GAL	12 TSP (for squeegee bucket)

#### Application Directions:

With sprayer apply OTiS generously directly onto solid surface - allow OTiS solution to run off. For best results, rinse with clean water and wipe if necessary. Allow OTiS product to drain to concrete, let dry and treat with eXIMO® waterless concrete cleaner.
